

**2. Consent on the collection, use, and disclosure of personal data for the following objectives:**

**2.1 For the purposes of exercising claims for compensation against an insurance company or against a third party who is an individual or a legal entity located in Thailand and abroad**

For the purposes of exercising claims for compensation, I give consent for the Medical Facility to disclose and/or send a copy of my personal data held by the Medical Facility to an insurance company, or to its management agent which processes insurance claims on behalf of such company, or to a person, legal entity, private sector or government sector, or state enterprise, both in Thailand and abroad, who sends me to receive a medical treatment or pays for my medical treatment expenses, when such disclosure is necessary for the performance of a contract to which I or the Medical Facility is a party.

Consent

Do not consent

**2.2 For the purposes of sharing electronic medical record databases between Medical Facilities and using medical services via mobile applications and websites**

I give consent for the Medical Facility to record my personal data into a computer system in a form of mobile applications and websites which share my electronic medical records among Medical Facilities within the Group<sup>1</sup> to enable me to gain access to my personal data through devices, and to enable me to manage my personal data through such devices and applications, as well as to facilitate the Medical Facility in providing me with advice via telephones or other communication devices.

Consent

Do not consent

**2.3 For marketing purposes of the Medical Facility**

I give consent for the Medical Facility to collect, use, and process my personal data for the purpose of analyzing my health conditions and for contacting me to send medical information, news and promotions on products and services.
